PROFESSIONAL SUMMARY

Dedicated and highly qualified Professional Mathematics Teacher with extensive experience in instructing primary and preparatory level students. Proven ability to simplify complex mathematical concepts, design comprehensive question banks, and foster an engaging learning environment. Adept at integrating modern educational technologies — including CASIO emulators and digital pedagogical tools — to elevate student academic performance and cultivate a genuine understanding of mathematics.

PROFESSIONAL EXPERIENCE

Senior Mathematics Teacher

Elkardod Preparatory School · Sharqia

- Lead mathematics instruction for preparatory level, mentoring junior teachers and standardizing assessment quality across grade levels.
- Designed structured question banks and exam booklets that improved evaluation consistency and student readiness.

Mathematics Teacher

Al-Wadi Al-Sharqi Formal Language School

- Delivered comprehensive mathematics curricula using modern teaching methods and digital tools to strengthen student comprehension.

Mathematics Teacher

Abu Zahran Preparatory School

- Simplified complex mathematical concepts for preparatory students, raising engagement and classroom performance.

Mathematics Teacher

Mansheyet Al Nour Preparatory School

- Applied differentiated instruction to address varied student abilities and learning paces.

Assistant Teacher

Mandalia Primary School · Mansheyet Al Nour Primary School

- Supported lead teachers in primary mathematics instruction, building foundational teaching expertise across early grades.

EDUCATION & QUALIFICATIONS

General Diploma in Education — 2011 · Good
Zagazig University

Bachelor of Science (Mathematics & Physics) — 2008 · Good
Zagazig University

PEDAGOGICAL STRENGTHS

- Curriculum management and structured lesson planning aligned with learning objectives.
- Exam creation and professional booklet formatting for clear, fair assessment.
- Integration of CASIO emulators and digital tools to visualize abstract mathematical ideas.
